# Purchasing Additional Data

CTS is able to provide tailored subscriptions to Volume and Price Index data for any period from 2009 onwards, at a variety of levels of granularity:

- Region to Region - e.g. North America to Far East
- Sub-Region to Sub-Region - e.g. West Coast USA to Greater China

TEU Volume reports can also be provided for:

- Region to Sub-Region - eg: Europe to East Coast USA
- Country to country
- Port-level distribution within a region or sub-region
- Customised selections of ports.

Please contact the team at CTS to discuss your data requirements on [sales@containertradesstatistics.com](mailto:sales@containertradesstatistics.com) or call +44 1483 77 88 52

# My Data

If you choose to purchase some data, the individual reports will be available in the **My Data** section. From this list you can view the monthly figures as a Chart, or download the data to an Excel spreadsheet.

## Displaying data

Region / SubRegion volumes - and also Price Indices - can be displayed as a chart on-screen. Where this option is available, simply click on the View Chart icon.

## Downloading Data

Data can be downloaded for a specific period from one or more reports at a time. Select the time period in the controls top-right and use the checkboxes to include any reports from the list.

Once your selection is complete, click the download icon:
